CROSS LAKE VACCINATION ROLLOUT PLAN COVID -19 MODERNA VACCINES

BACKGROUND:

The Moderna Vaccine is a vaccine that aims to protect against COVID – 19. The vaccine is approved for people who are 18 years of age and older. The vaccine is given by an injection into the muscle of the arm. For the vaccine to work best, you need two (2) doses: a single dose and then a second dose one month apart.

The Cross Lake Pandemic Planning Committee including our local Nursing Station had developed a COVID 19 VACCINATION PLAN for Residents **18 YEARS AND OLDER** of the Cross Lake Band of Indians and Cross Lake Community Council.

The Home Community Care Program to present have vaccinated Elders 65 and up, Kasayak Center Clients, Kasayak Center Staff and Health Front Line Workers so far.

The Vaccination Planning Committee has developed **Districts** similar to the Shopping Districts.

PRE-REGISTRATION PROCESS: Monday to Friday 9:00 to 4:00

This is a Pre-Registration Process for the Community. If you are interested in taking the Moderna Vaccine, please call the following phone numbers depending on your District (place of residency).

You will be asked for the following **QUESTIONS** over the phone:

- **FULL NAME**
- **DATE OF BIRTH**
- **TREATY NUMBER**
- **PHONE NUMBER**
