

Milestone One - Effective Saturday, June 26, 2021 at 12:01 a.m.

Manitobans who are fully immunized (two vaccine doses plus two weeks from the time of their second dose) will now benefit from the following exemptions:

- visit loved ones in personal care homes or hospitals;
- participate in social or communal activities, if you are a resident of a personal care home or congregate living facility;
- travel domestically for essential and non-essential purposes outside of Manitoba without the requirement to self-isolate on their return; and,
- dine indoors at restaurants and bars with other fully immunized friends and family from outside your household.

Large-scale, outdoor professional sports or performing arts events may also allow fully immunized Manitobans to attend, subject to approval by Manitoba Public Health. The province will work with sports and arts organization to implement proof of vaccination protocols for these events.

Under this first milestone of the '4-3-2 One Great Summer' Reopening Path, Manitobans will also be able to gather in larger numbers, dine out in restaurants and on patios, attend faith-based services, and go to gyms, hair salons and retail stores in every region of the province, with some restrictions.

Effective 12:01 a.m. Saturday, June 26, all Manitobans will benefit from these changes, including:
