ISOLATOR'S THAT NEED SOMEONE TO SHOP FOR THEM

If you have been identified as a Contact to a Positive Case, you need to isolate yourself for 14 days as per Public Health Order. Mikisew Staff and the Daycare Staff have volunteered to help you with your shopping. They will shop for you on your Regular Shopping day. You will need to provide your grocery list and your bank card or money.

Please contact the following to arrange someone to shop for you:
