

COMMUNITY NOTICE

APRIL 13, 2020

MEDICAL LEAVE

In response to COVID 19 Pandemic, medical leave for all patients will now follow this process:

- Medical Appointments will require a letter from the Nursing Station to accompany the patient when passing the Check Stop. If no letter you will not be allowed to leave.
- Any new requests to leave the community for medical purposes will need an assessment by a Nurse or Physician at the Nursing Station. You cannot make your own appointments outside of the community.
- Urgent or Emergent Dental issues will be assessed at the Nursing Station. The NIC and or Physician will determine and make referrals it need be.
- All new medical leave, effective April 7, 2020 will be reviewed and assessed by NIC and or Physician at the Nursing Station.
