PHASE TWO EFFECTIVE JUNE 1ST

Effective May 22nd Public Gatherings from 10-25 indoors, 50 outdoors (25 indoors with physical distancing) (50 outdoors with physical distancing)

Effective May 22nd Professional Team Sports (not applicable to Cross Lake)

Beginning May 29th residents in Personal Care and Long-Term Care facilities may receive visitors in an outdoor setting where all individuals are reasonably able to maintain a 2m/6ft separation. (Keesayak Center to determine their guidelines)

Many services announced as part of Phase Two may resume beginning June 1, 2020. Social Distancing guidelines and mandatory self-isolation upon return from travel (domestic and international) remain in place.

1. Religious Organizations, other organizations and drive-in movie theatres may hold outdoor events without limitation on numbers if people stay in their vehicles, or stand outside on the left side of their vehicles, as long as the windows next to them are closed and as long as people remain 2 metres apart at all times. (Outside Gospel Jamborees etc., Will maintain social distancing)
2. Class Room learning remains suspended for the school year. However, schools are now open for staff and specific programs. As well, students will be able to meet with teachers for the purpose of assessment and planning for the resumption of classes in September. Occupancy must be based on maintaining physical distancing of two metres, in individual rooms.
 - ONR and MIKISEW to remain closed till September (Both sites were identified as Isolation Facilities)
 - DR Hamilton School will be open, will maintain social distancing)
3. Child Care and Day Camps increased number permitted to 24 children

- Cross Lake Day Care to remain closed
4. Facility use at schools and post-secondary institutions permitted
 - Post Secondary Students
 5. Team sports permitted – This includes the operation of hockey rinks, soccer fields, volleyball and basketball courts, baseball diamonds, football fields and bowling alleys.

Operators must implement measures to ensure members of the public attending the facility or site can maintain a physical distance of at least 2 metres except when they are actively participating in a sport or activity.

 - Each Sports Organization must establish a plan for how to minimize physical contact and the risk of COVID-19 transmission between participants. Outdoor activities are lower risk for transmission of COVID-19 than indoor activities. Individual or group activities that have close prolonged face-to-face contact (e.g. boxing, football) are higher risk, and will require some modification of the sport or activity to minimize this type of contact. (All organizations in Cross Lake to develop a COVID -19 Safety Plan)
 - Food Service should follow Restaurant Guidelines (Food Venues in Cross Lake to follow Restaurant Guidelines and prepare a COVID-19 Safety Plan.)
 6. Pools, Splash Parks, Spas, Gyms and Training Facilities
